#### Waverly Garden Club #574

Pike Co. OAGC Region 10  
Sharon Gillum, Treasurer  
5915 Clines Chapel Road  
Waverly, OH 45690  
740-947-9082

The Waverly Garden Club was organized in November 1954. They encourage conservation of natural resources, strive to help beautify our community, and promote education in the fine art of gardening and floral design.

Their group provides flowers for planters at the Waverly High School Gymnasium, Courthouse, Chamber of Commerce, Waverly Mayor's office, and the Veteran's Memorial in the park. They purchase garden related books for the public library, and help support various nature projects and scholarships.

In May they have a plant sale as a fund-raising project where they share flowers from members' gardens. In November they sell flower bulb forcing kits at the Jingle Bell Craft Show. 2010 is the second year they have sponsored the open Flower Show at the Pike County Fair, and Pike County residents of all ages are encouraged to enter it.

Shawnee State University prepares students for the changing needs of business, industry, education, and society through its diversified degree programs. Recognizing the importance of knowledge, values, and cultural enrichment, they are committed to providing an undergraduate education that fosters competence in oral and written communication, scientific and quantitative reasoning, and critical analysis/logical thinking. To enrich the lives of the community, the University provides opportunities for continuing personal and professional development, intellectual discovery, and appreciation for the creative and performing arts.

State funds and tuition alone do little more than provide the necessities inherent in a university education. The availability of private financial support has a direct impact on the quality of services Shawnee State University offers its students. The private funds, whether in form of unrestricted gifts, endowments, or gifts for specific purposes, allow the University to provide a higher degree of enrichment and opportunity as stated in our mission and goals.

Donors may support one of Ohio's fastest growing public universities through a variety of planned giving options including: gifts of securities, personal property, bequests, life insurance, charitable remainder trusts, and charitable gift annuities. While giving at all levels of time and financial support is accepted and encouraged, creation of dedicated endowments named for the donor, or persons of their choice, begins at

\$25,000.00. As you consider future gifts, we would like to work with your professional financial counsel to help you take advantage of the many tax efficient strategies. With careful planning, it may be possible to reduce or eliminate income and transfer taxes, such as estate and gift tax.
